| | | | | | | | Dates subject to change |

NOTES:

1) Please note that the the Ground Safety for Marines (GSM) course prerequisite material for each student; Appointment Letters, Statements of Availability, and rank appropriate Risk Management certificates from MarineNet will be due to the Base Safety Center (CID M10M8SA) NLT than the published document deadline or the student will be dropped from the course. This is to ensure course quota requirements have been satisfied, to enter nominees into Marine Corps Information Management System (MCTIMS), and to ensure students can receive pertinent course information in advance of the published start date.

2) There are minimum and maximum quota requirements set forth by TECOM, so please relay your nomination requests through your safety chain of command as soon as possible.

3) Please send all corresponding information regarding the GSM course through the Unit Safety Officer or Manager. This eliminates the Base Safety training staff from attempting to process 30 individuals, individually. All Appointment Letters, Statements of Availability, and rank appropriate Risk Management certificates will be obtained by Unit Safety Officers and Managers and sent to the Base Safety Training email @ CPEN_SAFE_TRNG@usmc.mil.

PREREQUISITES: USMC E-6 and above, O-1 or higher serving in ground safety billets, or GS civilian serving in ground safety billets. All personnel must have at least 12 months remaining until their end of active service (EAS) from the course completion date. All personnel must complete the rank appropriate Risk Management course on MarineNet and email the completion certificate, their statement of availability, and a copy of their safety appointment letter prior to the document deadline dates. Attendees who do not meet the prerequisites will not be granted a seat.

Please visit <https://www.pendleton.marines.mil/Staff-Agencies/Safety-Center/GSM/> for deadlines, specific templates, and risk management class numbers.

For additional information, contact GySgt Strickland @ (760)-763-5328 or Mr. Townsend @ (760)-763-5320, or email to CPEN_SAFE_TRNG@usmc.mil.

FY23 COLLATERAL DUTY SAFETY REPRESENTATIVE COURSE (CDSRC)

| COURSE # | QUOTAS | NOMINATION DEADLINE | DOCUMENTS DEADLINE | START DATE | END DATE | LOCATION | Comments |
|-----------------|---------------|----------------------------|---------------------------|-------------------|-----------------|-----------------|-----------------|
| 2023101 | 30 | 11/1/2022 | 11/8/2022 | 15-Nov-22 | 17-Nov-22 | 13131 | |
| 2023102 | 30 | 2/14/2023 | 2/21/2023 | 28-Feb-23 | 02-Mar-23 | 13131 | |
| 2023103 | 30 | 5/2/2023 | 5/9/2023 | 16-May-23 | 18-May-23 | 13131 | |
| 2023104 | 30 | 7/18/2023 | 7/25/2023 | 01-Aug-23 | 03-Aug-23 | 13131 | |
| 2023105 | 30 | 9/12/2023 | 9/19/2023 | 26-Sep-23 | 28-Sep-23 | 13131 | |

NOTES:

- 1) MCIWEST-MCB CAMPEN developed a collateral duty safety representatives course (CDSR) targeting E-5 and below. This course will focus primarily on curriculum which will aid the GSO/GSM in performing safety duties per Marine Corps and federal directives.
- 2) Safety training is a key component to establishing and managing a successful safety program. Mishap reduction and force preservation results from personnel trained to recognize and mitigate hazards in both garrison and field environments.
- 3) Currently ground safety officers' (GSO) and ground safety managers (GSM) receive formal school training via the two week ground safety for Marines formal school within 90 days of assignment. This training provides core instruction for managing the commander's safety program. Ground safety for marines is designed for officers and staff non-commissioned officers which leaves a void for training command safety representatives. This course helps fill that void.
- 4) This three day (3) course will typically be held quarterly aboard Camp Pendleton in building 13131 from 0800 – 1600

PREREQUISITES: All personnel must complete the rank appropriate Risk Management course on MarineNet and deliver the completion certificate, the statement of availability, and a copy of the signed nomination letter from their GSO/GSM to their GSO/GSM, who will email them to CPEN_SAFE_TRNG@usmc.mil prior to the document deadline dates. Attendees who do not meet the prerequisites or the deadlines will be denied a seat.

Please visit <https://www.pendleton.marines.mil/Staff-Agencies/Safety-Center/CDSR/> for deadlines, specific templates, and risk management class numbers.

For additional information, contact GySgt Strickland @ (760)-763-5328 or Mr. Townsend @ (760)-763-5320, or email to
