WHAT'S IN THIS
MONTH'S ISSUE:

BACK
TO
SCHOOL

We hope our students and families have enjoyed a wonderful, relaxing summer break.

We are thrilled to welcome back all our students and look forward to a year filled with learning, growth, and success.

Community Safety Reminders:

As our streets become busy again with students, please remember:

Drive Slowly: Especially in school zones and residential areas.

Watch for Pedestrians: Be extra vigilant at crosswalks and bus stops.

Bus Safety: Stop for flashing red lights on school buses.

Walk/Bike Safely: Remind children about safe walking and biking practices.

Getting Ready for Success:

Supplies Ready: Check your school's website for specific supply lists and gather everything your student needs.

Schedule Savvy: Familiarize yourself and your student with their new class schedules and daily routines.

- **Travel Plan:** Confirm bus routes, carpool logistics, or drop-off/pick-up procedures for a smooth commute.
- **Routine Reset:** Gradually adjust sleep patterns and daily routines to match the school year schedule.
- **Health Check:** Ensure all necessary health forms and immunizations are up-to-date with the school office.
- **Stay Connected:** Know how your school communicates essential information (website, parent portal, email).
- **Positive Vibes:** Talk about the exciting opportunities ahead and what your student is looking forward to!
