## WELCOME TO THE COMBINED FEDERAL CAMPAIGN.

Overseen by the Office of Personnel Management (OPM), the Combined Federal Campaign is the official workplace giving campaign for federal employees and retirees. Last year, the CFC celebrated its 60th anniversary. Since its inception, the CFC has raised more than \$8.6 billion for charities and people in need. CFC pledges make a real and meaningful difference to a countless number of individuals throughout our communities, our nation, and the world. Some people might say it takes an extraordinary person to care enough to give, but it's more common than you think, and it's easy! Anyone can be a changemaker through the CFC. Want to learn more?
