Celebrate Earth Day All Year Long

Make Every Day Earth Day

There are many unique ways to take climate action to the next level and show your support for people and the planet. Whether you unplug items when not in use, use water efficiently, compost at home or take other sustainable actions, you can turn these everyday habits into civic action that last beyond Earth Day!

Find easy-to-follow resources from Green Oceanside at www.GreenOceanside.org.

Harvest Oceanside

Do you have surplus backyard produce? We'll take it! Contact ProduceGood to schedule a FREE pick of your backyard produce for donation to local feeding organizations and keep it out of the landfill. It's a win-win for everybody! Email info@producegood.org for more information.
