Notes
Note 1: CTC 1 to 6 are specific to the Defeat the Device Line of Operation.
Note 2: CTC 7 to 8 are specific to Network Engagement/Attack the Network Line of Operation.   Commanders who assess the need to conduct NE as part of their C2 operations will receive CTC-7 and CTC-8. Recommend 8 per Deploying GCE Bn, MEU HQ, SPMAGTF HQ across the following functional areas: Ops, Intel, Fires.
Note 3: CTCs are tailored to the theater or sub-region through AO specific threat briefs and practical applications based on those threats.
Note 4: The target population and enrollment numbers offered as guidance.
Note 5: Waiver criteria for this training requirement are established in MCO 3502.6A Marine Corps Force Generation Process.

Unit Commander's Analysis Criteria
All Marines will receive an IED threat awareness brief tailored to the theater to which they will deploy.
Tier 1: A low level of risk for individuals/units based on unit type, mission and assigned tasks, and commander's analysis. At a minimum, these units will receive at a CTC 1, tailored to the theater to which they will deploy.
Tier 2: A moderate level of risk for individuals/units based on unit type, mission and assigned tasks, and commander's analysis. These units will receive at a minimum CTC 1, CTC 2, CTC 3, and CTC 5 tailored to the theater to which they will deploy.
Tier 3: A high level of risk for individuals/units based on unit type, mission and assigned tasks, and commander's analysis these units will receive CTC 1, CTC 2, CTC 3, CTC 4, CTC 5, CTC 6, CTC7, and CTC8.
