

LINCOLN MILITARY HOUSING

January 31, 2020

Dear Valued San Luis Rey Residents,

Moss Construction has recently been approved to repair the water service couplings in your neighborhood. This project will include construction activity in the roadways, driveways and front yards of all the homes in your community. We anticipate working throughout the community between the dates of:

February 3rd through Spring 2020

- Biddle St. & Russell St. are in Zone 1 and scheduled to begin Monday February 3, 2020.
- Water outages will be necessary to complete the repairs
- The anticipated water outage date for Zone 1 (Biddle & Russell St.) is Tuesday February 18th from 8am-4pm. These dates are weather permitting and are subject to change. However, a RED FLAG ALERT will be sent out prior to the outage date.
- Areas of excavation will be protected with steel and wooden plates, locations will be delineated where necessary.
- Please approach construction vehicles carefully.
- Please be on the lookout for additional notifications (via email) concerning this project as it pertains to your specific street.

Feel free to reach out to The District Manager Liz Ford at elford@lpsi.com with any questions or concerns.

We want to thank you for your dedicated service to our country and your patience during these property improvements.

Warm Regards,

Mesa District. Oceanside CA., Office ■ 760-385-5318 ■
