25 SEPT 2025	0700 - 1600	32	Bldg. 33423

Enrollment Notes:

Prerequisites: Valid Bravo Medical Certificate (OPNAV 8020/6)

Submit all requests to mcb_campen_eso@usmc.mil. The email subject line needs to include the class date (e.g., EDC 30 JUL 2025) to streamline processing. Nominations must be submitted by an NCO or above. At least one SNCO or Officer must be copied on the email. Provide a Point of Contact (POC) for the SNCO in case any of the nominated personnel do not show up for the class. Nominations should be submitted no earlier than Thursday prior to the class, and no later than close of business Monday before the scheduled course.

Important Note: Nominations are not handled on a first-come, first-serve basis. All nomination letters will be held until Tuesday prior to the class, at which point the available seats (32 total) will be equally allocated among all requesting units. A final roster, including class details (directions, show time), will be sent on Tuesday morning. The course will be held on the first and last Thursday of each month. If a holiday coincides with the class date, the class will be canceled

Extra Classes (Case-by-Case Basis):

The Explosives Safety Office will consider scheduling additional classes on a case-by-case basis, particularly for units with upcoming deployments or field operations. If your unit requires special scheduling, please coordinate directly with us via the shared mailbox at mcb_campen_eso@usmc.mil to discuss availability and specific needs.
